

ePoster instructions

What is an ePoster?

An ePoster is an electronic poster displayed on widescreen display instead of printed on paper.

What formats can I use?

Only material in *.ppt (pptx) can be accepted. Format: see a template. Hyperlinks, animated images, animations and animated slide transitions are not permitted for ePosters and will be non-functioning.

Are there any limitations of my ePoster?

Maximum 1 page/slide can be uploaded. English language is obligatory.

How is my ePoster being displayed?

All ePosters will be displayed during the entire conference in the poster area near the Conference Hall. Poster Session will take place at exact time, according to the conference schedule, and each ePoster will have its own timeslot for presentation by author(s).

How can I upload/send my ePoster?

ePosters should be uploaded in specified format (ppt, pptx) using your ID and password at <https://ntad.lf.tuke.sk/> before November 11, 2025. Uploading of ePosters will be available after the Conference program will be visible on our website. ePosters that won't be uploaded comply with the above date may be removed.

Must be ePoster presented?

Each ePoster must be presented by one of the authors during the Poster Session.
